SHPT Program Overview:

The Full-Time Developmental Program at Saviano High Performance Tennis (SHPT) is a highly focused, personalized, training program designed to help each player further develop all aspects of their game – technical abilities, strategies, mental and physical acumen. Our goal is for each player to reach maximum performance potential. The program is under the direction of Nick Saviano and will offer the following:

- **EXPERT COACHING STAFF:** Nick Saviano directs the program each day. Each coach is personally selected by Nick and educated in the SHPT methodology of player development. (See about “Nick Saviano” @ www.savianotennis.com)
- **GAME STYLE:** Students will develop individual game styles based on personal vision, on-court personality, physical attributes and weapons.
- **STRATEGY, TACTICS, SHOT SELECTION & PATTERN DEVELOPMENT:** Each player will develop a clear understanding of their basic strategy as a player. Additionally, major emphasis will be placed on a player learning high percentage “generic” tactics and shot selection, as well as, personalized tactics which highlight the player’s individual weapons.
- **MOVEMENT: Footwork – Tracking – Recovery – Positioning:** Player’s speed/agility, balance, and quickness on court will be assessed and improved. Additionally, recommendations will be made to the player regarding extra work with our physical training experts.
- **PHYSICAL TRAINING/ATHLETIC DEVELOPMENT PROGRAM:** Maximizing each player’s athletic potential is a major goal of the program. Players will participate in a high performance physical training program on a daily basis to accomplish this objective.
- **MENTAL CONDITIONING:** Developing the mental skills and discipline to enable the player to reach their full competitive potential is a key component of the program. Player will work on these skills on and off the court daily.
- **SINGLES PLAY:** Point situation play, set play and match play will be an integral part of the program on a daily basis.
- **TOURNAMENT TRAVEL/COACHING PACKAGE:** Available for an additional fee.
- **PRIVATE LESSONS:** Available for an additional fee.
- **COURT SURFACE:** Players will train on hard or “clay” (hard-tru) courts depending upon up-coming tournaments.
- **PLAYER TO COACH RATIO:** Maximum 4 to 1 player to coach ratio or less at all times. Due to the limited number of players accepted into the program there, will be a significant amount of personal attention given to each player
- **VIDEO ANALYSIS:** Each player can be videotaped for analysis, aiding in the development of their game.

Late Cancellation and Missed Appointment Policy

At Saviano High Performance Tennis, each member of our coaching staff and administrative team schedules our program and private lessons with a maximum 4 to 1 player to coach ratio or less at all times. Due to the limited number of players accepted into our programs, there is a significant amount of personal time and attention given to each player. In order to successfully operate our high performance training academy, we need to be able to rely on these appointment numbers and commitments. Therefore, we have established the following policy for late and missed appointments:

For any appointment – whether missed or canceled with less than the **required 24 hour notice**, clients will be charged for that session.

We realize that on rare occasions an event may occur that requires a last minute cancellation. We will do our best to excuse these infrequent, extenuating circumstances. We ask that you email to Info@savianotennis.com and/or call 954-473-3330 to personally speak with a member of our office staff.

If you do not receive a returned response to your email, we may not have received your message. Please request confirmation of receipt. We look forward to an even bigger and better year at SHPT, and appreciate your patronage.

Thank you for your cooperation.

I have read the above information and have been informed of the policies and procedures above.
